Dear Sir:

This communication is in response to the Office Action mailed March 25, 2008 to which a response (without extension of time) is due on June 25, 2008. No fee is due at this time. However, if the Examiner believes a fee is due, the Examiner is authorized to charge any fee in conjunction with this patent application, now or at any time during prosecution (with the exception of the fee for allowance) to our Account Number 501479.

**Amendment To The Claims And To The Specification**

*Exhibit 1*, attached, presents the status of all claims in this application, including newly amended claims. *Exhibit 2* presents all amendments to the specification.

**REMARKS**

The claims and the specification have been amended to recite 'cobaltocene-octamethyl' instead of 'cobaltocene-octomet.' Base claim 32 is now amended to recite that what is eluted from the chromatographic separation system is "a fraction having antimicrobial activity". This limitation is supported in the specification at, *inter alia* page 5, line 23 to page 6, line 4 and the Examples and Table 5 in particular. The Applicant has chosen in the previous response to add "from leaves" as a limitation to the claims solely for tactical purposes, to reduce the number of
